I the undersigned, declare as follows:

1. My name is Linda A. King, and I am the attorney of record for Nuria Christina Ramirez, the Material Witness in the above-captioned matter. I am a attorney duly licensed to practice law in the State of California and am admitted to practice before the United States District Court for the Southern District of California.

2. On January 25, 2008 I was appointed to represent the Material Witness in the above-captioned matter. As a Material Witness attorney, one of my primary responsibilities is to help

1 arrange the release of the Material Witness from the custody of  
2 the U.S. Marshal and INS as soon as practicable. To that end, I  
3 immediately conducted an interview with the Material Witness to  
4 explain why she was being held and under what conditions she  
5 could be released. I informed the Material Witness that the  
6 most expedient way to be released is by having a personal surety  
7 post a court approved appearance bond. I explained that a  
8 personal surety would have to agree to sign a \$5,000.00  
9 appearance bond, post an immigration bond, and agree to allow  
10 the Material Witness to stay with the surety pending final  
11 disposition of the case. Unfortunately, Immigration will not  
12 allow the release of the witness, Nuria Christina Ramirez,  
13 because she is from El Salvador. A deposition is necessary to  
14 eliminate holding Ms. Ramirez in custody indefinitely.

15  
16  
17  
18 3. I am not aware of any reason in this case why the  
19 Material Witness testimony can not be adequately secured by  
20 deposition. Likewise, I have not been informed of any such  
21 reasons by either the government or defense attorney.

22  
23 4. The Material Witness is more than willing to discuss  
24 everything they know about this case with both defense and  
25 government investigators. The fact is, however, there are only  
26 a few facts relevant to this case which the Material Witness is  
27 competent to testify: i.e. (a) her citizenship, (b) who might  
28 have transported the witness, and (c) whether the witness agreed

1 to pay anyone. According to preliminary interviews, all of the  
2 facts relevant to this case in the Material Witness knowledge  
3 took place over a very short period of time.

4  
5 5. I explained the general procedure for videotape  
6 deposition to the witness and explained that, if she  
7 was released after the deposition, she may have to  
8 return to testify at trial if subpoenaed by the  
9 government or defendant. The witness indicated she  
10 was willing to return if arrangements for her legal  
11 re-entry could be made and travel expenses provided.

12  
13 6. The material witness petition the court to take her  
14 deposition and release her, as she speaks only  
15 Spanish . Her family is forced to suffer during her  
16 detention and she would like to return home. I declare  
17 under penalty of perjury that the foregoing is true  
18 and correct and that this declaration was executed in  
19 San Diego, California on February 7, 2008.
